## PLEASE INSTALL:

<input type="checkbox"/> Ventilated Choke #900001	Gun Brand _____
<input type="checkbox"/> Standard Choke #900002	Gun Model # _____
<input type="checkbox"/> Ventilated Rib #900020	Gun Gauge _____
<input type="checkbox"/> International Rib (top only) #900035	
<input type="checkbox"/> Double International Rib (top and bottom) #900030	

OVERALL FINISHED DESIRED LENGTH: \_\_\_\_\_ Inches

*Please Note:* if overall length is not specified, barrel will be finished to same overall length as received.

**\*\*Barrels With a Ventilated Rib:** Please indicate whether customer will accept the length longer or shorter of desired length. We must back up to closest rib support post.

For rib installation, complete gun is needed to insure alignment of barrel and receiver.

For choke installation, we only need your barrel shipped if we have an action for your gun. Popular guns we have are Remington models 11, 1100, 1148, 17, 58, 870, Winchester models 12, 40, 50, 59, 97, 1200, 1300, 1400, SuperX-1, Ithaca models 37, Browning models A-5, Double Auto, 2000, and others. Please call to confirm or we will need complete gun to test fire.
